

Activities Unique and Connected

Kampen, 3 september 2025

The 22nd of August 2025 we have founded our foundation at Van der Laan Notariaat in Oldebroek, the Netherlands.

Since then we have begun making our website, finding some publicity, setting up a business bank account and setting up a personal PayPal account for our international donations.

Our first board meeting will take place at the 19th of September where we will discuss further activities.
